IPMI 2027, Quebec, Canada

IPMI 2027 will be hosted at the beautiful Jouvence Conference Centre on Lake Stukely, Quebec, Canada, a secluded natural setting that reflects the unique spirit of the International Conference on Information Processing in Medical Imaging (IPMI). For nearly six decades, IPMI has served as one of the premier forums for methodological advances in medical imaging, bringing together leading researchers working at the intersection of medical image analysis, machine learning, computer vision, mathematics, physics, and biomedical engineering.

IPMI is recognized for its strong emphasis on fundamental and theoretical contributions that shape the future of medical imaging science. The core mission of IPMI 2027 is to foster deep scientific exchange and rigorous discussion around the next generation of imaging methodologies. Unlike larger convention-style conferences, IPMI is intentionally designed as an immersive retreat where attendees live, dine, and interact together. Its hallmark format encourages unlimited questions, extended discussions, and active debate following every presentation, creating an environment where ideas are challenged, refined, and advanced through direct engagement among participants. The conference relaxed and secluded setting helps break down barriers between disciplines and career stages, allowing collaborations/innovations to emerge naturally.

Expected Attendance & Audience Profile

IPMI attracts a highly international audience of researchers from academia, industry, and healthcare institutions. The conference is widely regarded as one of the most selective and influential meetings in medical image computing, with participation from many of the world's leading research groups. Accepted papers are traditionally centered on novel algorithms, mathematical foundations, image reconstruction, machine learning, segmentation, registration, computational modeling, and other fundamental advances in biomedical imaging.

IPMI 2027 offers sponsors direct access to 120 high-impact attendees, spanning principal investigators and research leaders (~40%), industry scientists and clinical research innovators (~20%), and emerging scientific talent (~40%), at a cross-section driving today's discoveries and tomorrow's decisions.

IPMI's small size is one of its greatest strengths. Every attendee participates directly in the scientific dialogue, creating a uniquely collegial atmosphere where discussions continue from the lecture hall to meals, outdoor activities, and informal gatherings. Many of the field's most influential ideas and collaborations have emerged from this environment of sustained and open scientific exchange.

Sponsorship Package Comparison

All prices are in Canadian dollars. Package availability and benefit delivery should be confirmed with the organizing committee before payment.

Benefit	Bronze	Silver	Gold
Investment	**$1,250**	**$2,500**	**$5,000**
Logo on conference website	Included	Included	Included
Logo on banners	—	Included	Included
Logo in conference book	—	Included	Included
Opening and closing acknowledgment	—	—	Included
Insert in attendee welcome package	—	—	Included
Registration benefit	$250 discount	$500 discount	$1,000 discount
Full-page program advertisement	—	—	$1,000 add-on

How the Packages Differ

Gold adds verbal recognition, an attendee-package insert, and the largest registration benefit.
Silver adds visibility at the venue and in the conference book.
Bronze provides digital visibility.

Gold Advertising Add On

Gold sponsors may purchase one full-page advertisement in the conference program book for an additional $1,000 CAD. Confirm artwork dimensions, file format, and submission deadline with the organizing committee before preparing the advertisement.

Important Notes

- Each registration benefit applies to one full-conference registration.
- Sponsors should confirm applicable taxes, payment instructions, benefit deadlines, and logo specifications before booking.
- Benefits that depend on print or production schedules may require materials in advance.

Package Details and Booking

Expected number of participants: 120

Gold :

$5,000 CAD (about €3,000)

- Company name and logo on the website, banners, and in the conference book
- Acknowledgment during opening and closing address
- Company flyer or documentation included in attendee welcome package
- A discount of $1,000 CAD on one registration for the entire conference
- **Optional single page advert** in conference program book (+$1,000 CAD)

Silver

$2,500 CAD (about €1,500)

- Company name and logo on the website, banners, and in the conference book
- A discount of $500 CAD on one registration for the entire conference

Bronze

$1,250 CAD (about €750)

- Company name and logo on the conference website
- A discount of $250 CAD on one registration for the entire conference

Reserve a Sponsorship

To confirm availability and request payment instructions, contact the IPMI 2027 organizing team. Please include your preferred package, company name, billing contact, and the name of the attendee who may use the registration benefit.
